

SAKSHAM KOTIA

Full Stack Developer | AI & Computer Vision Engineer | B.Tech CSE @ JIIT

Email: kotiasaksham@gmail.com | Phone: +91 88004 09904 | GitHub: github.com/sakshamkotia

EDUCATION

- **Jaypee Institute of Information Technology (JIIT)**
B.Tech in Computer Science & Engineering (2022 - 2026)
- **Relevant Coursework**
Data Structures & Algorithms, Object-Oriented Programming, Operating Systems, Computer Networks, DBMS, ML, Computer Vision.

TECHNICAL SKILLS

- **Languages**
Python, C++, JavaScript (ES6+), HTML5, CSS3, SQL
- **Frameworks & Tools**
React.js, Node.js, Express.js, MongoDB, OpenCV, TensorFlow, MediaPipe, Git, GitHub
- **Core Competencies**
Full Stack Web Development, Computer Vision Pipelines, RESTful APIs, Speech Processing

FEATURED PROJECTS

- **TalkBridge — Smart Speech Translation System**
Built a real-time cross-lingual speech translation pipeline utilizing Python speech recognition, NLP, and Google TTS APIs.
- **Virtual Eyewear Try-On System**
Engineered real-time facial landmark tracking and dynamic eyewear overlay using OpenCV and MediaPipe.
- **Kitchen Diary — MERN Recipe Platform**
Developed a full-stack recipe management web application featuring user authentication, interactive dish creation, and database integration.

SAKSHAM KOTIA

Full Stack Developer | AI & Computer Vision Engineer | B.Tech CSE @ IIIT

Email: kotiasaksham@gmail.com | Phone: +91 88004 09904 | GitHub: github.com/sakshamkotia

MORE PROJECTS & EXPERIMENTS

- **CipherChat — End-to-End Encrypted Tool**
Implemented secure dual-layer text and image encryption combining RSA, AES-256, and steganographic data hiding.
- **Maritime Docking & Resource Scheduler**
Designed a priority-driven optimization algorithm for vessel docking and port resource allocation.

POSITIONS OF RESPONSIBILITY & LEADERSHIP

- **Lead Organizer / Volunteer Head**
Led a team of 60+ volunteers to manage university events with an overall audience reach exceeding 500+ attendees.
- **Technical Coordinator**
Mentored junior students in Python development, Git workflows, and open-source contribution practices.

CERTIFICATIONS & ACHIEVEMENTS

- **Python & Data Structures Certification**
Completed advanced Python and Problem-Solving certifications.
- **Open Source & Competitive Coding**
Active contributor on GitHub (@sakshamkotia) and regular problem solver on LeetCode (@kotiasaksham).
